MEMORANDUM FOR: Project Director of Operations

THROUGH : Project Deputy Director

REFERENCE : Memorandum for Project Director, dated 20 Nov.
1957, Subject: Visit to Project Headquarters by
B/G (Dr.) Flickinger (SAPC-21536)

25X1A 1. I concur in your recommendation that the position formerly
occupied by [REDACTED] could be filled by a physiological training officer.
25X1A I believe, however, that consideration should be given to using [REDACTED] 25X1A
[REDACTED] in this position, since I understand the incumbent's principal
responsibilities will be in connection with equipment.

25X1A 2. I believe [REDACTED] is communicating with General
Flickinger to ascertain his feeling about this suggestion. I would like to
learn of General Flickinger's reaction before we take action to obtain a new
officer from the Air Force.
